

## Flag Terminology during review cycle

August 2014

© Copyright 2012 Hewlett-Packard Development Company, L.P. The information contained herein is subject to change without notice.

## **Overview**

Terminology is a key component of HP assets and we are working everyday to provide you with the most up-to-date information to ease your review work.

While reviewing HP content, you may run into:

Report these to the HP terminology team, with the 3-step process (highlighted in next slide) entirely done from your online review tool, and we will consolidate and implement any required change on a monthly basis.

## Flag terminology issue in TMS Online

1) Found a terminology issue in a translated segment?

900 Postcard Rotated	Postcard Rotated	실제
401 power	100 Alimentation	
power cycle	Mise sous tension	3

2) Click the little envelop icon on the right side of your segment.

3) Enter issue starting with '**TERM:**' in the textbox and click '**Add Comment**'.

2 3 8	Add Terminolog	y sequence	0	Add Terminology sequence		
3 🧐	Click the Setup menu button on the left hand side.			<sup>0</sup> <1>Click the 1 <2>Setup 2 <3> menu button on the left hand side. 3		*
	Creation Date 🛆	Comment		User	Workflow Stage	
	There are no prev <mark>ous comments for this task.</mark>			7		
		TERM: wrong context, add new entry with 'puissance'	*	farion Mordenti	Client Review (HP)
